## CORNROWS:

**RULE #1: ALWAYS PROTECT YOUR CHILD'S HAIR AT NIGHT** with a bonnet, silk hair scarf, or du-rag! Satin pillowcases and bedsheets are good backups for when the night protection comes off during sleep.

### CARE FOR YOUR HAIR

- ▶ **Fine to medium and looser curl textures:** apply oil to the scalp with natural oil every **3-5 days**
- ▶ **Medium to Coarse with tighter curls/coils and afro textures:** apply oil to the scalp every **2-3 days**
- ▶ DO NOT use any creamy products on the hair, as it will cause the style to slip and produce build-up.
- ▶ Mist hair with liquid leave-in conditioner or heavily diluted cream leave-in conditioner (90% water to 10% cream leave-in) every other day. Follow up with an oil sheen or hair gloss.

If you have a little swimmer/s, please make sure to pick up a **Swim Care Tip Card**
